Amy Mossett, Executive Director
Northern Plains Heritage Foundation
Mandan, ND 58554

Dear Amy

As Mayor of the City of Washburn, I congratulate you on your efforts with Senator Byron Dorgan to have our region designated a National Heritage Area.

I am pleased to represent the City on your board of directors, and pledge our support to ensuring the success of this Area upon its designation.

We know of the value of our unique heritage here along the Missouri River, and are eager to have it become an even more significant part of our economic development.

Let me know of anything we can do to make certain that the Northern Plains Heritage Area becomes a reality.

Sincerely

Al Christianson, Mayor

"Grandest Little City on The Missouri"
